Practical Steps

Responsibilities & Decision Making

Let's talk about why reasonability is important, and what you can do to be more responsible.

1. **Why is it important to be responsible?**

2. **What responsibilities do you have at home? How do you show your family that you are responsible?**

3. **What responsibilities do you have at school? How do you show your friends and teachers that you are responsible?**

4. What are some new or different things you can do this week to show you are responsible?

5. Do you feel ready for the responsibilities that come with an adult? Do you have any worries or fears? If so, what can you do to prepare?
